### Fore the Kids!

**Mission:** The first-ever Rice Lake Celebrity Charity Classic & Walk (RLCCC) held last year was a huge success for the Rice Lake area youth organizations. This event raised just over \$100,000 for organizations such as Boys & Girls Clubs of Barron County, Kinship of Rice Lake & Cameron, Benjamin's House, the Warrior All-Sports Booster Club and more! This tax-free 501c(3) nonprofit organization combines business leaders, charity volunteer leaders, service clubs and youth organization leaders to organize and conduct one big fund raising event. This year's walk will be held on Sunday, June 26th at the Barron County Fairgrounds (information below) and the golf event on Thursday, June 30th at Turtleback Golf Course. Our goal for the 2nd Annual RLCCC is to raise over \$125,000 in net proceeds to distribute to the previously mentioned organizations and more for the benefit and positive development of Rice Lake area youth.
